On December 21st, 1620, a landing party from "Mayflower 1" set foot upon what is now PLYMOUTH, Mass. In commemoration of this occasion the PLYMOUTH RADIO CLUB operated GB2USA from July 19th to August 15th, 1970, from the G3PRC Clubroom at Virginia House, PLYMOUTH, just a few hundred yards from the Mayflower Steps on the world-famous Barbican whence the Pilgrim Fathers sailed 350 years ago.
